

Hosted by DealFlow Events

THE MICROCAP CONFERENCE 2025

Now the largest independent event for investor engagement

January 28-30, 2025 | Borgata Hotel & Casino, Atlantic City, NJ

JOIN US

This premier event, uniting public companies and investors, features an impressive lineup of speakers, including financial commentators Ron Insana of CNBC and Charlie Gasparino from Fox Business. Highlights include an exclusive fireside chat with Jon Ledecy, co-owner of the New York Islanders, and Bob Pisani of CNBC, discussing "The Business of Sports and Investing in High-Growth Public Companies." Additionally, Tom Gardner, CEO of The Motley Fool, will deliver a keynote on strategies for microcap stock investing.

WHY THE MICROCAP CONFERENCE?

With 20 years of experience producing top-tier financial events like The SPAC and PIPEs Conferences, DealFlow Events presents the largest independent microcap conference in the US. Attracting 1,500 attendees, it's the premier platform for microcap companies to connect with institutional and individual investors.

WHAT YOU GET AS A PARTICIPATING COMPANY

Unlimited 1-on-1 Meetings: Meet with institutional and individual investors at a table dedicated to your company.

Investor Presentation: Present your company in front of investors in a dedicated room, with a 20-minute slot.

Extensive Marketing & Exposure

- Company listing on the event website
- Press releases distributed through AccessWire
- Research distribution at the conference
- Marketing to DealFlow's investor network

Conference Passes & Entertainment

- Two conference passes for company representatives
- 'Plus one' pass for significant others to join entertainment and networking activities
- Access to all entertainment and social events

Additional Add-ons

- Video recording of your presentation
- Marketing table setup
- Optional upgrades for increased visibility and engagement

APPLY TODAY

The Microcap Conference offers this opportunity to high-quality public companies. Our event fees reflect this commitment to quality. As such, we have a simple, two-tier fee schedule.

Listed companies with a minimum \$1.50 share price and market cap of \$50M:

Fee: \$4,850

Companies not meeting these criteria are individually evaluated and encouraged to apply:

Fee: \$5,850
